

## Bellinge Community House Residents News Letter Summer 2016

Bellinge Week of action feedback,

Firstly thank you for your support and willingness to participate in the various events.

What we achieved

- Pamper morning was a huge success and we hope to repeat this on an evening in the not too distant future.
- 12 tons of fly-tipping was collected during the week.
- General clean up of the area was achieved with the removal of some trees.
- The small playground next to the co-op was repainted
- In line with the new law on dog chipping the RSPCA successfully chipped 29 dogs.
- We had 21 different agencies turn up on the agency information day
- Feedback from the residences that attended the community fun day all agreed it was a success.

In other news we have organised a sea side trip to hopefully a very sunny Great Yarmouth on Wednesday 3<sup>rd</sup> August leaving 8:00am and returning 8:00pm. **All young children would require a car-seat.** Adults £10 and Spaces are limited and filling up fast so please come and book your seats as soon as possible.
